

## Business Incubator Program

### Expression of Interest Form

The Town of Bruderheim, with support from the Rural Alberta Business Centre, Cold Lake is reviewing candidates and opportunities to enter our Business Incubator Program. A Business Incubator is a facility that helps new companies and companies trying to establish a foothold in our community, to develop by providing services such as management training or office space.

As you are probably aware commercial space is very limited in Bruderheim and whatever space is available is costly. Entrepreneurs from Bruderheim and area will have access to apply to this program and, if accepted, would be provided office space at a greatly reduced rate to start and grow their businesses.

If you are interested in learning more, or would like to be notified when the official application form becomes accessible, please fill out some general information below.

**Name:**

**Date:**

**Email:** [Click here to enter text.](#)
